

CODA AREA SERVICE STRUCTURE

Coda Area represents all Coda Groups in The Netherlands towards Coda International, and assists national groups with Coda International guidelines and service contacts when appropriate. It channels contributions from the national level to Coda International Service.

Coda Area serves as the coordinating body between all Coda groups in The Netherlands. Its main purpose is to support Coda groups to carry the message of Codependents Anonymous, by sharing experiences and addressing general issues that affect Coda as a whole (not individual groups).

Coda Area The Netherlands has created the following service board and committees. The committees report to CoDa area. CoDa Area acts in accordance with Coda guidelines, and may forward decision making on specific issues to Coda International Service.
